Hi Everyone – Just checking in on your preference to receive the final HHERA. If you are up for inserting a few pages, I will include them with the CDs I am sending. If not, we are happy to incorporate the pages for you the next time we meet.

Lynn – Can we send the final versions to the repositories or are you preparing a concurrence letter that we need to wait to receive?

Thanks, Chris

**Subject:** Final Area 40 HHERA

Hi Everyone – We have incorporated the attached responses to comments into the HHERA and have finalized the document. We have replacement pages for your version of the HHERA. If you would prefer, we can insert them for you on March 21 (technical meeting) or we can send them to you to insert. We have two copies of the CD for each of you, one for the binder and one for your file system. I will send those to you next week.

The electronic version is on the APTIM portal at

<https://extranet.aptim.com/sites/Aerojet/agency/Completed%20Documents/Forms/AllItems.aspx?RootFolder=%2Fsites%2FAerojet%2Fagency%2FCompleted%20Documents%2F23%20Area%2040%20Updated%20HHERA%20%28Final%2002%2D20%2D2018%29&FolderCTID=0x012000DA84C02DB72AD44EB87BF2FA849D9BC2&View={9202A732-B0AD-4E54-93CE-F87C2A043BD9}>.

If that doesn't work, log onto the APTIM portal and go to folder "23 Area 40 Updated HHERA (Final 02-20-2018)". All files needed to compile the complete HHERA are in that folder.

Do I need to wait for a letter from EPA to send the final version to the repositories?

Have a great weekend. Chris
